April 2017

Dear Parent/Carer

History Revision Timetable

As you are aware, the GCSE exams are fast approaching. To support our students in their final preparations I have provided them with a History revision pack including all 3 exam content. I have attached a timetable of revision that I need your child to complete. This revision must then be handed in to Mr Lambert or myself every Friday so that we can mark them and feedback any areas for improvement.

This revision will allow your child to have the best preparation to achieve and exceed their target grade in this subject when they do their exams in June. These revision sessions will support current timetabled History lessons as they are intended to secure rapid progress in this subject and will begin immediately.

I am sure you will agree that this is a very positive move and will support your child in securing their future academic success.

If you have any further queries regarding this do contact me.

Yours sincerely

H Callander

Mrs H Callander
Leader of History
